DEMOLITION DERBY SATURDAY NIGHT HUGE DRAW FOR THE 152nd ANNUAL WHITESIDE COUNTY FAIR

MORRISON, IL -On Saturday Tyler Quekbemer took First Place in the Open Full Size Wire Division at the 152nd Annual Whiteside County Fair's Saturday Demolition Derby. The derby began with a passel of drivers: ages three-to-"eight or nine" are eligible. Generally they drive around for several minutes, some tapping or knocking into another vehicle, some sitting still until a track man stops the action. Little motorized vehicles are pulled or driven to the south end of the track and positioned side-by-side. At the north end a flagman waves the green flag and the children race toward him. A speedy child became the Power Wheels Champion and took home a trophy.
